HAVE YOU BEEN TRICKED INTO WIRE FRAUD? TAKE IMMEDIATE ACTION!

If you believe you have transferred funds to a criminal posing as a legitimate business associate, you should act quickly:

1. Immediately contact the originating bank and **request a recall of the wire transfer** and confirm that recall in writing.
2. Immediately file a **complaint with the FBI** at www.ic3.gov. This reporting triggers the FBI's Recovery Asset Team and the FBI's assistance seeking return of the wire transfer.
3. Preserve **records of the incident**, including emails sent and received *in their original electronic state*. Correspondence and forensic information contained in these electronic files help investigators shed light on the perpetrator(s), and parties responsible for the incident.
4. Once the above steps are complete, **contact Chubb** per the instructions in your policy.

While neither recalling the wire transfer nor reporting to the FBI guarantees the return of your funds, these steps maximize the opportunity to mitigate your loss, assist the FBI in tracing the funds and help establish any insurance claim.

Simple Steps to Prevent Fraudulently Induced Wire Transfers

Email communication is efficient, but it is not a secure method of communication. Regardless of your familiarity with a contact, that contact's **email may be intercepted, altered and fabricated**. You may reduce the chances of fraud by following these best practices:

1. **Verify Email Requests by Telephone**: Require those responsible for paying invoices or changing bank routing information to verify payment details over the phone, rather than by email or documents sent electronically. Making a phone call to a known, pre-existing telephone number remains the single best protection against fraud.
2. **Segregate Wire Transfer Responsibilities**: Establish a standing policy that requires at least three people to review and approve wire transfer requests, pay an invoice or change a business partner's bank account information. Such requests should be entered by the initiator of the wire and verified by two independent signatories.
3. **Turn on MFA for Cloud Email**: Multifactor Authentication is available from all major email providers. It provides a layer of security to email accounts beyond a user's account name and password, making it harder for criminals to impersonate you, your executives and your employees.

   The first named **Assured** shall be deemed to be the sole agent of the other **Assureds** for all purposes under this Bond, including but not limited to the giving or receiving of any notice or proof required to be given and for the purpose of effecting or accepting any amendments to or termination of this Bond.

   If the first named **Assured** ceases for any reason to be covered under this Bond, then the **Assured** next named on the Application shall thereafter be considered as the first named **Assured** for the purposes of this Bond.

   The Company shall furnish each **Assured** with a copy of the Bond and with any amendment thereto, together with a copy of each formal filing of claim by any other **Assured** and notification of the terms of the settlement of each such claim prior to the execution of such settlement.

   Knowledge possessed or discovery made by any **Assured** shall constitute knowledge possessed or discovery made by all of the **Assureds** for the purposes of this Bond.

   All loss and other payments, if any, payable by the Company, shall be payable to the first named **Assured** without regard to such **Assured's** obligations to others, and the Company shall not be responsible for the application by the first named **Assured** of any payment made by the Company. 3. Notice To Company Of Legal Proceedings Against Assured – Election To Defend

   The **Assured** shall promptly give notice to the Company of any legal proceeding brought to determine the **Assured's** liability for any loss, claim or damage which, if established, would constitute a collectible loss under this Bond. Concurrent with such notice, and as requested thereafter, the **Assured** shall furnish copies of all pleadings and pertinent papers to the Company.

   The Company may, at its sole option, elect to conduct the defense of all or part of such legal proceeding. The defense by the Company shall be in the name of the **Assured** through attorneys selected by the Company. The **Assured** shall provide all reasonable information and assistance as required by the Company for such defense.

If the Company elects to defend all or part of any legal proceeding, the court costs and attorneys' fees incurred by the Company and any settlement or judgment on that part defended by the Company shall be a loss under the applicable Insuring Clause of this Bond. In addition, if the amount demanded in the legal proceeding is greater than the amount recoverable under this Bond, or if a Deductible Amount is applicable, or both, the Company's liability for court costs and attorneys' fees incurred in defending all or part of such legal proceeding is limited to the proportion of such court costs and attorneys' fees incurred that the amount recoverable under this Bond bears to the total of the amount demanded in such legal proceeding.

If the Company declines to defend the **Assured**, no settlement without the prior written consent of the Company or judgment against the **Assured** shall determine the existence, extent or amount of coverage under this Bond, and the Company shall not be liable for any costs, fees and expenses incurred by the **Assured**.
