Any Member entitled to vote on any matter may cast part of the votes in favor of the proposal and refrain from exercising the remaining votes or vote against the proposal (other than for election or removal of a Manager), but if the Member fails to specify the Interests such Member is voting affirmatively, it will be conclusively presumed that the Member's approving vote is with respect to all votes such Member is entitled to cast. Such vote may be a voice vote or by ballot; provided, however, that all votes for election or removal of a Manager must be by ballot upon demand made by a Member at any meeting at which such election or removal is to be considered and before the voting begins.

Meetings of the Members for the purpose of taking any action permitted to be taken by the Members may be called by the Manager, or by Members entitled to cast not less than seventy percent (70%) of the votes at the meeting. Upon request in writing that a meeting of Members be called for any proper purpose, the Manager forthwith shall cause notice to be given to the Members entitled to vote that a meeting will be held at a time requested by the person or persons calling the meeting, not less than ten (10) nor more than sixty (60) days after receipt of the request. Except in special cases where other express provision is made by statute, written notice of such meetings shall be given to each Member entitled to vote not less than ten (10) nor more than sixty (60) days before the meeting. Such notices shall state:

3.7.1 The place, date and hour of the meeting; and

3.7.2 Those matters which the Manager, at the time of the mailing of the notice, intends to present for action by the Members.

Section 3.8 Quorum. The presence at any meeting in person or by proxy of Members holding not less than a majority of the Interests of the class or classes entitled to vote at such meeting shall constitute a quorum for the transaction of business. The Members present at a duly called or held meeting at which a quorum is present may continue to transact business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum, if any action taken (other than adjournment) is approved by at least a majority of the votes required to constitute a quorum.

Section 3.9 Waiver of Notice. The actions of any meeting of Members, however called and noticed, and wherever held, shall be as valid as if taken at a meeting duly held after regular call and notice, if a quorum be present either in person or by proxy, and if, either before or after the meeting, each person entitled to vote, not present in person or by proxy, signs a written waiver of notice or a consent to the holding of the meeting, or an approval of the minutes thereof. The waiver of notice, consent or approval need not specify either the business to be transacted or the purpose of any regular or special meeting of Members, except that if action is taken or proposed to be taken for approval of any of those matters specified in subsections 3.5.2 – 3.5.3 of this Agreement, the waiver of notice, consent or approval shall state the general nature of such proposal. All such waivers, consents or approvals shall be filed with the Company's records and made a part of the minutes of the meeting. Attendance of a Member at a meeting shall also constitute a waiver of notice of and presence at such meeting, except when the Member objects, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened, and except that attendance at a meeting is not a waiver of any right to object to the consideration of matters required to be included in the notice but not so included, if such objection is expressly made at the meeting.

Section 3.10 Action by Members Without a Meeting. The Manager may be elected or removed without a meeting by a consent in writing, setting forth the action so taken, signed by Members having not less than the minimum number of votes that would be necessary to elect or remove such Manager in accordance with Section 4.6; in addition, a Manager may be elected at any time to fill a vacancy by a written consent signed by Class B Member having not less than the

minimum number of votes that would be necessary to elect such Manager in accordance with Section 4.6. Notice of such election shall be promptly given to non-consenting Members.

Any other action which, under any provision of the Act or the Certificate of Formation or this Agreement, may be taken at a meeting of the Members, may be taken without a meeting, and without notice except as hereinafter set forth, if a consent in writing, setting forth the action so taken, is signed by Members having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all Members entitled to vote thereon were present and voted. All such consents shall be filed with the secretary of the Company and shall be maintained in the Company's records. Unless the consents of all Members entitled to vote have been solicited in writing, then (i) notice of any proposed Member approval of any of the matters set forth in subsection 3.5.2 without a meeting by less than unanimous written consent shall be given to those Members entitled to vote who have not consented in writing at least five (5) days before the consummation of the action authorized by such approval, and (ii) prompt notice shall be given of the taking of any other action approved by Members without a meeting by less than unanimous written consent to those Members entitled to vote who have not consented in writing.

Any Member giving a written consent, or the Member's proxy-holders, or a personal representative of the Member or their respective proxy-holders, may revoke the consent by a writing received by the secretary prior to the time that written consents of the number of votes required to authorize the proposed action have been filed with the secretary, but may not do so thereafter. Such revocation is effective upon its receipt by the secretary or, if there shall be no person then holding such office, upon its receipt by any other officer or Manager of the Company.

Section 3.11 Record Date. The Manager or, if there are no Manager then in office, the Members may fix a time in the future as a record date for the determination of the Members entitled to notice of and to vote at any meeting of Members or entitled to give consent to action by the Company in writing without a meeting, to receive any report, to receive any dividend or distribution, or any allotment of rights, or to exercise rights with respect to any change, conversion or exchange of interests. The record date so fixed shall be not more than sixty (60) days nor less than ten (10) days prior to the date of any meeting, nor more than sixty (60) days prior to any other event for the purposes of which it is fixed. When a record date is so fixed, only Members of record at the close of business on that date are entitled to notice of and to vote at any such meeting, to give consent without a meeting, to receive any report, to receive a dividend, distribution, or allotment of rights, or to exercise the rights, as the case may be, notwithstanding any transfer of any interests on the books of the Company after the record date, except as otherwise provided by statute or in the Certificate of Formation or this Agreement.

If the Manager or the Members, as the case may be, do not so fix a record date, then (i) the record date for determining Members entitled to notice of or to vote at a meeting of Members shall be at the close of business on the business day immediately preceding the day on which notice is given or, if notice is waived, at the close of business on the business day immediately preceding the day on which the meeting is held, and (ii) the record date for determining Members entitled to give consent to Company action in writing without a meeting shall be the day on which the first written consent is given

Section 3.12 Members May Participate in Other Activities. Each Member of the Company, either individually or with others, shall have the right to participate in other business ventures of every kind, whether or not such other business ventures compete with the Company. No Member, acting in the capacity of a Member, shall be obligated to offer to the Company or to the other Members any opportunity to participate in any such other business venture. Neither the Company nor the other Members shall have any right to any income or profit derived from any such other business venture of a Member or affiliate entity.

ARTICLE 5 INTERESTS

Section 5.1 Interests. The Interest of each Member in the Company shall be as set forth in *Exhibit "2"* hereto, subject to the Preferred Allocation schedule contained in *Exhibit "4."*

Section 5.2 Capital Accounts. A Capital Account shall be maintained for each Member on the books of the Company. Each Member's Capital Account shall be credited with the amount of any capital contribution made by such Member pursuant to Sections 6.1 and 6.4, and shall be adjusted appropriately to take into account all items of income, gain, loss or deduction allocated to each Member pursuant to Article 7 hereof and all distributions to each Member pursuant to Article 8 hereof. A single Capital Account shall be maintained for each Member (regardless of the class of Interests owned by such Member and regardless of the time or manner in which such Interests were acquired) in accordance with the capital accounting rules of Section 704(b) of the Code and the regulations thereunder (including without limitation Section 1.704-1(b)(2)(iv) of the Income Tax Regulations). In general, under such rules, a Member's Capital Account shall be:

(a) increased by (i) the amount of money contributed by the Member to the Company (including the amount of any Company liabilities that are assumed by such Member other than in connection with distribution of Company property), (ii) the fair market value of property contributed by the Member to the Company (net of liabilities secured by such contributed property that under Section 752 of the Code the Company is considered to assume or take subject to), and (iii) allocations to the Member of Company income and gain (or item thereof), including income and gain exempt from tax; and

(c) Where Section 704(c) of the Code applies to Company property or where Company property is revalued pursuant to paragraph (b)(2)(iv)(t) of Section 1.704-1 of the Income Tax Regulations, each Member's Capital Account shall be adjusted in accordance with paragraph (b)(2)(iv)(g) of Section 1.704-1 of the Income Tax Regulations as to allocations to the Members of depreciation, depletion, amortization and gain or loss, as computed for book purposes with respect to such property.

(d) When Company property is distributed in kind (whether in connection with liquidation and dissolution or otherwise), the Capital Accounts of the Members shall first be adjusted to reflect the manner in which the unrealized income, gain, loss and deduction inherent in such property (that has not been reflected in the Capital Account previously) would be allocated among the Members if there were a taxable disposition of such property for the fair market value of such property (taking into account Section 7701(g) of the Code) on the date of distribution.

(e) The Manager shall direct the Company's accountants to make all necessary adjustments in each Member's Capital Account as required by the capital accounting rules of Section 704(b) of the Code and the regulations thereunder.

Section 5.3 Return of Capital. No Member shall be liable for the return of the capital contributions (or any portion thereof) of any other Member, it being expressly understood that any such return shall be made solely from the assets of the Company. No Member shall be entitled to withdraw any part of such Member's Capital Contributions or Capital Account, to receive interest on such Member's Capital Contributions or Capital Account or to receive any distributions from the Company, except as expressly provided for in this Agreement or under the Act as then in effect.

Section 5.4 Liability. Except as otherwise provided by the Act or this Agreement, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company and no Member shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a Member. Except as otherwise expressly required by law, a Member, in such Member's capacity as such, shall have no liability in excess of (i) such Member's Capital Account and share of any undistributed profits of the Company, (ii) such Member's obligations to make other payments pursuant to the obligation to make capital contributions to the Company hereunder which shall be an obligation strictly among and enforceable by the Members, and no third party shall be a third-party beneficiary thereof, and (iii) the amount of any distributions wrongfully distributed to such Member.

ARTICLE 6 CAPITAL CONTRIBUTIONS, WITHDRAWALS AND LOANS

Section 6.1 Initial Capital Contributions. Each Member shall make the initial capital contributions to the Company (each, an "**Initial Capital Contribution**"), in accordance with the amounts set forth on *Exhibit "I"* hereto, as amended from time to time. Upon the making of such contributions, such amounts shall be credited to the Members' respective Capital Accounts. Each Member understands and assumes the risk of investing in the Company and shall be without recourse, including against the Company's assets, should he lose his investment. The Manager shall have discretion as to the date at which the subscriptions for Class A Membership Units shall be closed.

Section 6.2 Non-Member Loans to the Company. The Company may obtain such further funds as it requires for its operations from sources and on terms, which are acceptable to the Manager, subject to the restrictions herein contained. Neither the Company nor any Member shall have any personal liability as a result of any such borrowing unless any of the Members shall agree in writing to be personally liable. Notwithstanding the foregoing, the Company shall not acquire funds pursuant to this **Section 6.2** as long as any obligations under the Loan (as defined in that certain Loan Agreement by and between the Company and the lender) remain outstanding.

Section 6.3 Member Loans to the Company. In the event that the Company shall require funds in order to carry out the purposes of the Company and such funds shall not be available from either prior capital contributions of the Members or the proceeds of a third-party loan to the Company, then with consent of the Manager and subject to the restrictions hereof, any Member may, but shall not be required to, loan to the Company such required funds. In the event such a loan is made, the same shall not be considered an increase in the Member's Capital Account or an increase in such Member's share of the profits. Each such loan shall be without recourse and shall be upon such terms as shall be agreed to by the lending Member and shall be evidenced by a promissory note duly executed by the Manager on behalf of the Company and delivered to the lending Member.

Section 6.4 Additional Capital Contributions.

6.4.1 If the Manager at any time or from time to time determines that the Company requires additional Capital Contributions, then the Manager shall give notice to

each Member of (i) the total amount of additional Capital Contributions required, (ii) the reason the additional Capital Contribution is required, (iii) each Member's proportionate share of the total additional Capital Contribution (determined in accordance with this Section), and (iv) the date each Member's additional Capital Contribution is due and payable, which date shall be no less than ten (10) days after the notice has been given. A Member's share of the total additional Capital Contribution shall be equal to the product obtained by multiplying the Member's Percentage Interest and the total additional Capital Contribution required. Each Member's share of the additional Capital Contribution shall be payable in cash or by certified check, or wire transfer.

6.4.2 Notwithstanding anything herein to the contrary, no Member shall be required to make any Additional Capital Contribution to the Company.

6.4.3 If a Member fails to pay when due all or any portion of any additional Capital Contribution required under Section 6.4.1 (each, a "Non-Contributing Member"), then each Member other than any Non-Contributing Member (each, a "Contributing Member") shall have the right, but not the obligation, to contribute to the Company (in addition to its initial pro rata share of the additional Capital Contribution) its pro rata portion of those amounts that the Non-Contributing Member fails to contribute (the "Remaining Contribution"), and the Manager shall have the right to re-allocate the Percentage Interests based on the then Capital Contributions made by the Contributing Members and Non-Contributing Members.

6.4.4 Each Member shall receive a credit to his/her/its Capital Account in the amount of any additional Capital Contribution which he/she/it makes to the Company and shall receive such other rights as have been approved by the Manager in connection with such additional Capital Contribution in accordance with the terms of this Agreement.

6.4.5 Immediately following any additional Capital Contribution, the Percentage Interests of the Members may be adjusted if the Manager determines that the Percentage Interests of the Members are to be altered as a result of the additional Capital Contribution, and *Exhibit "1"* shall be revised to reflect any such additional Capital Contribution and any such adjustment of the Percentage Interests of the Members. Any revision of *Exhibit "1"* in accordance with the preceding sentence shall require only the consent of the Manager (and not any consent of the Members).

6.4.6 In the event any Remaining Contribution is not fully satisfied by additional Capital Contributions of the Contributing Members, the Manager may, but shall not be required to, contribute to the Company the amount required to satisfy the Remaining Contribution as a loan (a "Contribution Loan") to the Non-Contributing Member. The Manager shall have the option of obtaining a third-party loan or using its own funds to fund the proceeds for any such Contribution Loan. Such Contribution Loan shall not be treated as a Capital Contribution by the Manager or entitle the Manager to a Percentage Interest. The Contribution Loan (or Contribution Loans if more than one), shall each be deemed a loan owing by the Non-Contributing Member to the Manager, as applicable. The Contribution Loan shall be repayable only out of the Net Cash Flow and/or Net Capital Proceeds otherwise distributable to the Non-Contributing Member which shall be paid

directly to the Manager, as the case may be and, if more than one, then in proportion to the amounts of their Contribution Loans, until such Manager's Contribution Loan or Contribution Loans, as the case may be, and accrued and unpaid interest thereon have been paid in full. The Contribution Loan shall bear interest at lower of 15% per annum or the maximum rate permitted by law.

ARTICLE 7

ALLOCATION OF PROFITS AND LOSSES; TAX AND ACCOUNTING MATTERS

Section 7.1 **Allocations.** Each Member's distributive share of income, gain, loss, deduction or credit (or items thereof) of the Company as shown on the annual federal income tax return prepared by the Company's accountants or as finally determined by the United States Internal Revenue Service or the courts, and as modified by the capital accounting rules of Section 704(b) of the Code and the Income Tax Regulations thereunder, as applicable, shall be determined as follows:

7.1.1 Allocations. Except as otherwise provided in this Section 7.1:

(a) items of income, loss, deduction or credit (or items thereof) shall be first allocated among the Members in accordance with the Preferred Allocation outlined in Exhibit "4". Except that items of loss or deduction allocated to any Member pursuant to this Section 7.1 with respect to any taxable year shall not exceed the maximum amount of such items that can be so allocated without causing such Member to have a deficit balance in his or its Capital Account at the end of such year, computed in accordance with the rules of paragraph (b)(2)(ii)(d) of Section 1.704-1 of the Income Tax Regulations. Any such items of loss or deduction in excess of the limitation set forth in the preceding sentence shall be allocated as follows and in the following order of priority:

(1) first, to those Members who would not be subject to such limitation, in proportion to their Percentage Interests; and

(2) second, any remaining amount to the Members in the manner required by the Code and Income Tax Regulations.

(b) items of income and gain (or items thereof) shall be first allocated to the Class A Members in the same manner that losses were allocated pursuant to Section 7.1.1 (a) in order to reverse any loss allocations.

Subject to the provisions of subsections 7.1.2 – 7.1.11, inclusive, of this Agreement, the items specified in this Section 7.1 shall be allocated to the Members as necessary to eliminate any deficit Capital Account balances and thereafter to bring the relationship among the Members' positive Capital Account balances in accord with their pro rata interests.

7.1.2 Allocations With Respect to Property. Solely for tax purposes, in determining each Member's allocable share of the taxable income or loss of the Company, depreciation, depletion, amortization and gain or loss with respect to any contributed

property, or with respect to revalued property where the Company's property is revalued pursuant to paragraph (b)(2)(iv)(f) of Section 1.704-1 of the Income Tax Regulations, shall be allocated to the Members in the manner (as to revaluations, in the same manner as) provided in Section 704(c) of the Code. The allocation shall take into account, to the full extent required or permitted by the Code, the difference between the adjusted basis of the property to the Member contributing it (or, with respect to property which has been revalued, the adjusted basis of the property to the Company) and the fair market value of the property determined by the Members at the time of its contribution or revaluation, as the case may be.

7.1.3 Minimum Gain Chargeback. Notwithstanding anything to the contrary in this Section 7.1, if there is a net decrease in Company Minimum Gain or Company Nonrecourse Debt Minimum Gain (as such terms are defined in Sections 1.704-2(b) and 1.704-2(i)(2) of the Income Tax Regulations, but substituting the term "Company" for the term "Partnership" as the context requires) during a Company taxable year, then each Member shall be allocated items of Company income and gain for such year (and, if necessary, for subsequent years) in the manner provided in Section 1.704-2 of the Income Tax Regulations. This provision is intended to be a "minimum gain chargeback" within the meaning of Sections 1.704-2(f) and 1.704-2(i)(4) of the Income Tax Regulations and shall be interpreted and implemented as therein provided.

7.1.4 Qualified Income Offset. In the event any Member unexpectedly receives any adjustments, allocations, or distributions described in Sections 1.704-1(b)(2)(ii)(d)(4), (5) or (6) of the Treasury Regulations, items of Company income and gain shall be specially allocated to such Member in an amount and manner sufficient to eliminate the deficit balance in his Capital Account created by such adjustments, allocations or distributions as promptly as possible; *provided* that an allocation pursuant to this Section 7.1.4 shall be made only if and to the extent that a Member would have such a deficit balance after all other allocations provided for in this Article have been tentatively made as if this Section 7.1.4 were not in the Agreement.

7.1.5 Gross Income Allocation. In the event any Member has a deficit Capital Account at the end of any taxable year which is in excess of the sum of (i) the amount such Member is obligated to restore, if any, pursuant to any provision of this Agreement, and (ii) the amount such Member is deemed to be obligated to restore pursuant to the penultimate sentences of Sections 1.704-2(g)(1) and 1.704-2(i)(5) of the Treasury Regulations, each such Member shall be specially allocated items of partnership income and gain in the amount of such excess as quickly as possible; *provided* that an allocation pursuant to this Section 7.1.5 shall be made only if and to the extent that a Member would have a deficit Capital Account in excess of such sum after all other allocations provided for in this Article have been tentatively made as if Section 7.1.4 and this Section 7.1.5 were not in this Agreement.

7.1.6 Depreciation Recapture. Subject to the provisions of Section 704(c) of the Code and subsections 7.1.2 – 7.1.4, inclusive of this Agreement, gain recognized (or deemed recognized under the provisions hereof) upon the sale or other disposition of

Company property, which is subject to depreciation recapture, shall be allocated to the Member who was entitled to deduct such depreciation.

7.1.7 Loans. If and to the extent any Member is deemed to recognize income as a result of any loans pursuant to the rules of Sections 1272, 1273, 1274, 7872 or 482 of the Code, or any similar provision now or hereafter in effect, any corresponding resulting deduction of the Company shall be allocated to the Member who is charged with the income. Subject to the provisions of Section 704(c) of the Code and subsections 7.1.2 – 7.1.4, inclusive, of this Agreement, if and to the extent the Company is deemed to recognize income as a result of any loans pursuant to the rules of Sections 1272, 1273, 1274, 7872 or 482 of the Code, or any similar provision now or hereafter in effect, such income shall be allocated to the Member who is entitled to any corresponding resulting deduction.

7.1.8 Tax Credits. Tax credits shall generally be allocated according to Section 1.704-1(b)(4)(ii) of the Income Tax Regulations or as otherwise provided by law. Investment tax credits with respect to any property shall be allocated to the Members pro rata in accordance with the manner in which Company profits are allocated to the Members under subsection 7.1.1 hereof, as of the time such property is placed in service. Recapture of any investment tax credit required by Section 47 of the Code shall be allocated to the Members in the same proportion in which such investment tax credit was allocated.

7.1.9 Change of Pro Rata Interests. Except as provided in subsections 7.1.6 and 7.1.7 hereof or as otherwise required by law, if the proportionate interests of the Members in the Company are changed during any taxable year, all items to be allocated to the Members for such entire taxable year shall be prorated on the basis of the portion of such taxable year which precedes each such change and the portion of such taxable year on and after each such change according to the number of days in each such portion, and the items so allocated for each such portion shall be allocated to the Members in the manner in which such items are allocated as provided in section 7.1.1 during each such portion of the taxable year in question.

7.1.10 Effect of Special Allocations on Subsequent Allocations. Any special allocation of income or gain pursuant to subsections 7.1.3 or 7.1.4 hereof shall be taken into account in computing subsequent allocations of income and gain pursuant to this Section 7.1 so that the net amount of all such allocations to each Member shall, to the extent possible, be equal to the net amount that would have been allocated to each such Member pursuant to the provisions of this Section 7.1 if such special allocations of income or gain under subsection 7.1.3 or 7.1.4 hereof had not occurred.

7.1.11 Nonrecourse and Recourse Debt. Items of deduction and loss attributable to Member nonrecourse debt within the meaning of Section 1.7042(b)(4) of the Income Tax Regulations shall be allocated to the Members bearing the economic risk of loss with respect to such debt in accordance with Section 1704-2(i)(1) of the Income Tax Regulations. Items of deduction and loss attributable to recourse liabilities of the Company, within the meaning of Section 1.752-2 of the Income Tax Regulations, shall be allocated among the Members in accordance with the ratio in which the Members share the economic risk of loss for such liabilities.

7.1.12 State and Local Items. Items of income, gain, loss, deduction, credit and tax preference for state and local income tax purposes shall be allocated to and among the Members in a manner consistent with the allocation of such items for federal income tax purposes in accordance with the foregoing provisions of this Section 7.1.

Section 7.2 Accounting Matters. The Manager shall cause to be maintained complete books and records accurately reflecting the accounts, business and transactions of the Company on a calendar-year basis and using such cash, accrual, or hybrid method of accounting as in the judgment of the Manager is most appropriate; provided, however, that books and records with respect to the Company's Capital Accounts and allocations of income, gain, loss, deduction or credit (or item thereof) shall be kept under U.S. federal income tax accounting principles as applied to partnerships.

Section 7.3 Fiscal Year. The Company's fiscal year shall begin on January 1st and end on December 31st. The Manager may at any time elect a different fiscal year if permitted by the Code and applicable regulations of the United States Treasury.

Section 7.4 Tax Status and Returns.

7.4.1 The Company shall file as a partnership for Federal income tax purposes. Any provision hereof to the contrary notwithstanding, solely for United States federal income tax purposes, each of the Members hereby recognizes that the Company may be subject to the provisions of Subchapter K of Chapter 1 of Subtitle A of the Code; provided, however, the filing of U.S. Partnership Returns of Income shall not be construed to extend the purposes of the Company or expand the obligations or liabilities of the Members.

7.4.2 The Manager shall prepare or cause to be prepared all tax returns and statements, if any, that must be filed on behalf of the Company with any taxing authority, and shall make timely filing thereof. Within ninety (90) days after the end of each calendar year, the Manager shall prepare or cause to be prepared and delivered to each Member a report setting forth in reasonable detail the information with respect to the Company during such calendar year reasonably required to enable each Member to prepare such Member's federal, state and local income tax returns in accordance with applicable law then prevailing.

7.4.3 Quarterly financial statements (including a "Balance Sheet" and "Income Statement") shall be provided to all Members within 30 days from the end of the reporting quarter. Distribution of quarterly reports by the Manager will begin at the end of the month after 90 days following the close of an acquisition of the property to which the reports pertain. The Manager is not required to have the financial statements audited, reviewed or compiled. The financial statements are not required to use GAAP accounting.

7.4.4 Unless otherwise provided by the Code or the Income Tax Regulations thereunder, Flavio Jimenez shall be the "Partnership Representative," as such term is used in Code Section 6223 (the "Partnership Representative"). Mr. Jimenez shall make all decisions for the Company relating to tax matters including, without limitation, whether to make any tax elections (including the election under Section 754 of the Code),

(b) The Partnership Representative must accept such appointment in writing if desired by the Manager and provide a written confirmation to the partnership that it satisfies the substantial presence requirement of Code § 6223(a) and the regulations thereunder. A Partnership Representative shall serve until his, her, or its death, resignation, incapacity, bankruptcy, revocation/removal, or a determination by the Internal Revenue Service that the designation is not effective.

(c) The Partnership Representative, may with the consent of the Manager, timely file such election forms, statements and other information required by the Partnership Audit Rule to make the push-out election, as provided in Code Section 6226.

The resignation of the Partnership Representative shall take effect upon the appointment of a successor Partnership Representative or at such other time agreed upon by the Manager. The resigning Partnership Representative shall follow the directions of the Manager in connection with the appointment of a successor Partnership Representative and the filing of such statements, forms and other document with the IRS as required by the Partnership Audit Rules. Notwithstanding the foregoing, in the event such resignation is not effective for purposes of the Partnership Audit Rules, the resigning Partnership Representative shall take any and all actions and sign and deliver any and all documents, instruments, elections

and agreement as directed by the Manager until such resignation is effective for purposes of the Partnership Audit Rules.

(e) Revocation of Designation. The designation of Partnership Representative may be revoked with or without cause by a written notice from the Manager. The Partnership Representative whose designation has been revoked shall follow the directions of the Manager in connection with the appointment of a successor Partnership Representative and the filing of such statements, forms and other document with the IRS as required by the Partnership Audit Rules. Notwithstanding the foregoing, in the event such revocation is not effective for purposes of the Partnership Audit Rules and in any event prior to the effective appointment of a successor, the Partnership Representative whose designation has been revoked shall take any and all actions and sign and deliver any and all documents, instruments, elections and agreement as directed by the Manager until such revocation is effective for purposes of the Partnership Audit Rules.

devote such time to this position as is commercially reasonable to fulfill her obligations, responsibilities and duties.

(k) Correction of Economic Distortions. The Members intend that the economic consequences of an imputed underpayment for any reviewed year shall be borne by the Members in the same manner as if the adjustments had been correctly reported on the reviewed year Membership return. Therefore, notwithstanding anything to the contrary herein, the Partnership Representative shall cause the Company to make such offsetting special allocations of Company income, gain, loss or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, each Member's capital account balance at the end of the adjustment year is to the extent possible, equal to the capital balance such Members would have had if all Company items in the reviewed year had been allocated to the Members in accordance with the adjustments as determined by the notice of final Membership adjustments, any settlement with the IRS, the Justice Department or the final court decision, whichever is applicable. In addition, the Manager shall have the authority to require reviewed year Members who have transferred their Interests to reimburse the Company for the imputed underpayment.

(l) Limitation on Authority of Partnership Representative. Notwithstanding anything to the contrary herein, the Partnership Representative shall not make any material agreements with the Internal Revenue Service (IRS) (including waivers of statute of limitations), election, settlement or take any actions to settle or to litigate any adjustments set forth in the notice of final partnership adjustment under the Partnership Audit Rules without the written consent of the Manager. (n) Reliance on Advice. The Partnership Representative may rely on the services and advice of attorneys, accountants and other professional

advisors or experts. The Partnership Representative shall not be liable to the Company or to any Member for damages, losses, or costs, any loss of value or any liability arising from such reliance.

(o) Binding Effect of Actions by Partnership Representative. The Company and the Members hereby agree and acknowledge that (a) the actions of the Partnership Representative in connection with the Partnership Audit Rules shall be binding on the Company and the Members; and (b) neither the Company nor the Members have any right to contact the IRS or participate in an audit or proceedings under the Partnership Audit Rules.

(p) Communications to Members. The Partnership Representative shall provide reports to the Members on a reasonable basis to keep them reasonably informed of the status, issues and resolution of any Company income tax audit. The Partnership Representative shall provide the Manager and all Members with copies of all notices from the IRS within 7 calendar days of receipt. ARTICLE 8 DISTRIBUTIONS

Section 8.1 Distributions.

8.1.1 Subject to the reasonably anticipated business needs and opportunities of the Company, taking into account all debts, liabilities and obligations of the Company then due, working capital and other amounts which the Manager deems necessary for the Company’s business or to place into reserves for customary and usual claims with respect to such business, and subject also to any restrictions under applicable law (including, without limitation, any obligation to withhold and remit any amounts to any governmental authority), the Manager shall distribute the Net Cash Flow and Net Capital Proceeds to the Members not less often than quarterly in accordance with the Preferred Allocation outlined in Exhibit “4”.

8.1.2 Without limiting the generality of subsection 8.1.1, if and to the extent that the Company is earning income which will result in the Members being subject to income tax on their distributive share of the Company's income, minimum distributions shall be made to the Members in such amounts and at such times (but in no event later than March 31st each year) as shall be sufficient to enable the Members to meet United States income tax liability arising or incurred as a result of their participation in the Company. For the purposes of such distributions, it shall be assumed that the Members are taxable at combined U.S. federal individual, state and local rates of forty percent (40%). Any such distribution shall be made on a nondiscriminatory basis to all Members pro rata in accordance with their respective Percentage Interests. It is specifically recognized that in making a forty percent (40%) assumption regarding tax distributions, some Members may receive a distribution that is in excess of their actual tax liabilities, and some Members may receive a distribution that is less.

Section 8.2 Form of Distributions. No Member, regardless of the nature of the Member's Capital Contribution, has any right to demand and receive any distribution from the Company in any form other than money. No Member may be compelled to accept from the Company a distribution of any asset in kind.

Section 8.3 Withholding from Distributions. To the extent that the Company is required by law to withhold or to make tax or other payments on behalf of or with respect to any Member, the Company may withhold such amounts from any distribution and make such payments as so required. For purposes of this Agreement, any such payments or withholdings shall be treated as a distribution to the Member on behalf of whom the withholding or payment was made.

Section 8.4 754 Election. In the event of a distribution of property to a Member, the death of an individual Member or a transfer of any interest in the Company permitted under the Act or this Agreement, the Company may, in the discretion of the Manager upon the written request of the transferor or transferee, file a timely election under Section 754 of the Code and the Income Tax Regulations thereunder to adjust the basis of the Company's assets under Section 734(b) or 743(b) of the Code and a corresponding election under the applicable provisions of state and local law, and the person making such request shall pay all costs incurred by the Company in connection therewith, including reasonable attorneys' and accountants' fees.

ARTICLE 9 TRANSFER OF COMPANY INTERESTS

Section 9.1 No Transfer. No Member, shareholder (direct or indirect) of a corporate Member, partner (whether general or limited) of a Member which is a partnership (general or limited), member of a Member which is a limited liability company or owner of all or any portion of any other entity which is a Member or which has a beneficial interest, either direct or indirect, in a Member, may sell, assign, transfer, give, hypothecate or otherwise encumber (any such sale, assignment, transfer, gift, hypothecation or encumbrance being hereinafter referred to as a "Transfer"), directly or indirectly, or by operation of law or otherwise, any interest in the Company or in such corporation, partnership or other entity (each an "Intermediary"), except as hereinafter set forth in this Article 9 or otherwise with the consent of the Manager. Any Transfer of any interest in the Company or an Intermediary in contravention of this Article 9 shall be null and void. No

Member, without the prior written consent of the Manager (other than the retiring or withdrawing Member), shall retire or withdraw from the Company, except as a result of such Member's death, disability, insanity, incompetency or the final adjudication of such Member as a Bankrupt. Notwithstanding anything contained in this Article 9, no Transfer shall be permissible if such transfer contravenes and/or violates the terms of the "Mortgage Loan" (as defined in the Property mortgage documents).

Section 9.2 Permitted Transfers.

9.2.1 Any Member may, from time to time and in its sole discretion, Transfer its Interest, in whole or in part, to (i) any Affiliate of such Member, or (ii) a living or revocable trust for the benefit of the Member or such Member's Immediate Family (as hereinafter defined) (a "Family Trust") so long as the transferring Member is the sole trustee of such Family Trust. As used in this Article 9, the term "Immediate Family" shall mean any spouse, parents, children, including those adopted, siblings and direct descendants and spouses of any of the foregoing, of an individual. Notwithstanding the foregoing, no Member shall make any Transfer of any of its Interest, or permit any indirect Transfer of any of its Interest, that would result in the Company being in breach of its Single Asset Entity obligations set forth in Section 2.4. All Transfers requested by any Member shall be at the expense of the Transferring Member who shall pay for all costs associated with the transfer, including, but not limited to attorney fees.

9.2.2 Any transferee referred to in clause 9.2.1 above shall become a Member of the Company.

9.2.3 In the event that (i) a Member Transfers its Interest, pursuant to this Section 9.2, to a limited liability company controlled by such Member or to a Family Trust, and (ii) at any time thereafter, such Member ceases to control the transferee limited liability company, or such Member ceases to be the sole trustee of the transferee Family Trust (each, a "Triggering Event"), the Company shall have the option to purchase such transferee's Interest for the fair market value of such Interest determined as of the date of the Triggering Event. The Company shall provide written notice to the transferee of its election to exercise its option to purchase the Interest within sixty (60) days after the Triggering Event, on which date such option shall expire. The fair market value of the Interest shall be determined in accordance with the fair market valuation procedure discussed in Section 9.7 hereto.

Section 9.3 Succession by Operation of Law. In the event of the death or incapacity of an individual Member or in the event of the involuntary merger, consolidation, dissolution or liquidation of any Member not an individual, all of such Member's rights hereunder, including such Member's Interest, shall, subject to the remaining provisions of this Article 9, pass to such Member's personal representative, heir or distributee, in the case of an individual Member, or to such Member's legal successor, in the case of any Member not an individual. Upon and contemporaneously with any such transfer of a Member's Interest by operation of law, the Company shall purchase from the transferee of such Interest, and the transferee shall sell to the Company for a purchase price of \$1 for each percentage of the Interest transferred, all rights and interests of the transferee in the Company, other than the right to its share of the Company's

distributions and allocations, including such transferee's right, if any, to vote and participate in the management of the Company, except those rights that cannot be waived by an assignee of an economic interest in the Company pursuant to the Act.

Section 9.4 **New Members.** Notwithstanding Section 9.2 hereof, no person or entity, not then a Member, shall become a Member hereunder under any of the provisions hereof unless such person or entity shall expressly assume and agree to be bound by all of the terms and conditions of this Agreement. Each such person or entity shall also cause to be delivered to the Company, at his or its sole cost and expense, a favorable opinion of legal counsel reasonably acceptable to the Manager, to the effect that (a) the contemplated Transfer of such Company Interest to such person or entity does not violate any applicable securities law, (b) that such person or entity has the legal right, power and capacity to own the Interest, and (c) that the contemplated Transfer will not cause a termination of the Company within the meaning of Section 708 of the Code or that such termination would not have material adverse tax consequences for the non-transferring Members. All reasonable costs and expenses incurred by the Company in connection with any Transfer of an Interest and, if applicable, the admission of a person or entity as a Member hereunder, shall be paid by the transferor. Upon compliance with all provisions hereof applicable to such person or entity becoming a Member, all other Members agree to execute and deliver such amendments hereto as are necessary to constitute such person or entity a Member of the Company.

Section 9.5 **Rights of New Members.** Notwithstanding anything to the contrary in this Agreement, (a) a transferee of a Member's Interest in the Company pursuant to a Transfer under this Article 9 (other than pursuant to Section 9.2 hereof) shall be admitted to the Company as a Member with respect to such Member's Interest only with the written consent of the Manager, it being understood that the giving or withholding of such consent shall be within the sole and absolute discretion of the Manager, (b) until and unless such transferee is admitted as a Member, such transferee shall be entitled to its share of the Company's distributions and allocations but shall not have any other rights or privileges of a Member, except as otherwise required by this Agreement or the Act, and (c) until and unless such transferee is admitted as a Member, the transferor shall not cease to be a Member of the Company and shall continue to be a Member until such time as the transferee is admitted as a Member under this Agreement.

Section 9.6 **Right of First Refusal.** Except for Transfers permitted by Section 9.2, each time a Member proposes to Transfer all or any part of its, his or her Interest, such Member shall first offer such Interest to the Manager:

(a) Such Member shall deliver a written notice to the Manager stating (i) such Member's bona fide intention to Transfer such Interest, (ii) the name and address of the proposed transferee, (iii) the Interest to be Transferred, and (iv) the purchase price and terms of payment for which the Member proposes to Transfer such Interest.

(b) Within ten (10) days after receipt of the notice described in Section (a), the Manager shall notify the transferring Member in writing of Manager's desire to purchase a portion of the Interest being so Transferred. The purchase price and terms shall be on the same terms as outlined in the written notice made pursuant to Section 9.6 (a). The failure of the Manager to submit a notice within the applicable period shall constitute an election on the part of the Manager not to purchase any of the Interest which may be so Transferred.

(c) If the Manager elects not to purchase all of the Interest designated in such notice, then the transferring Member may Transfer the Interest described in the notice to the proposed transferee, providing such Transfer (i) is completed within thirty (30) days after the expiration of the Manager's right to purchase such Interest, (ii) is made at the price and terms designated in such notice, and (iii) the requirements hereof relating to consent of Members, securities and tax requirements are met. If such Interest is not so Transferred, the transferring Member must give notice in accordance with this Section prior to any other or subsequent Transfer of such Interest.

Section 9.7 Fair Market Value Procedures. The fair market value of the Interest shall be determined by either:

(a) the Interest's fair market value as agreed upon by the transferring and acquiring Party; or

(b) if the transferring and acquiring Party cannot agree on the fair market value, each party, at their own expense, shall select a business valuation appraiser and the average valuation shall be used, subject to Section 9.7 (c).

(c) in the event that either Party is not satisfied with the average valuation obtained pursuant to Section 9.7 (b), then the two selected business valuation appraisers shall select a third independent business valuation appraiser who shall determine the fair market value of the Interest. The appraisal cost of the third independent business valuation appraiser shall be paid equally by the Parties.

ARTICLE 10 BOOKS AND RECORDS; RESERVES

Section 10.1 On reasonable notice, a member may inspect and copy during regular business hours, at a reasonable location specified by the Company, any record maintained by the Company regarding the Company's activities, financial condition and other circumstances, to the extent the information is material to the member's rights and duties under the operating agreement or this chapter;

Section 10.2. The Company shall furnish to each member:

(a) On reasonable notice, any information concerning the Company's activities, financial condition and other circumstances which the Company knows and is material to the proper exercise of the member's rights and duties under the operating agreement or this chapter, except to the extent the Company can establish that it reasonably believes the member already knows the information;

(b) On reasonable notice, any other information concerning the Company's activities, financial condition and other circumstances, except to the extent the demand or information demanded is unreasonable or otherwise improper under the circumstances.

Section 10.3 During regular business hours and at a reasonable location specified by the Company, a member may obtain from the Company and inspect and copy full information

regarding the activities, financial condition and other circumstances of the company as is just and reasonable if:

(a) The member seeks the information for a purpose material to the member's interest as a member;

(b) The member makes a demand in a record received by the company, describing with reasonable particularity the information sought and the purpose for seeking the information; and

(c) The information sought is directly connected to the member's purpose.

Section 10.4 Reserves. The Managers shall establish reserves by deducting from income such amounts as it shall deem advisable.

Section 10.5 Filings. The Manager, at the Company's expense, shall cause the income tax returns for the Company to be prepared and timely filed with the appropriate authorities. The Manager, at the Company's expense, shall also cause to be prepared and timely filed, with appropriate federal and state regulatory and administrative bodies, amendments to or restatements of, the Certificate of Formation and all reports required to be filed by the Company with those entities under the Act or other then-current applicable laws, rules and regulations. If a Manager is required by the Act to execute or file any document fails, after demand, to do so within a reasonable period of time or refuses to do so, any other Manager or Member may prepare, execute and file that document with the Nevada Secretary of State.

Section 10.6 Bank Accounts. The Managers shall maintain the funds of the Company in one or more separate bank accounts in the name of the Company, and shall not permit the funds of the Company to be commingled in any fashion with the funds of any other Person.

ARTICLE 11 TERMINATION

11.1.1 Upon the sale of all or substantially all of the assets of the Company and the receipt of all consideration therefore; or

11.1.2 The entry of a decree of judicial dissolution.

Section 11.2 Distributions Upon Liquidation.

11.2.1 Upon the occurrence of any event specified in Section 11.1, the Members will take full account of the Company's liabilities and assets, and the Company's assets will be liquidated as promptly as is consistent with obtaining the fair value thereof. The

proceeds from the liquidation of the Company's assets will be applied and distributed in the following order:

- (i) First, to creditors in the payment and discharge of all of the Company's Debts and other Liabilities (whether by payment or the making of reasonable provision for payment thereof to the extent required by Section 18-804 of the Act), including any Member Loans, other than Liabilities for Distributions to Members under Section 18-601 or 18-604 of the Act;
- (ii) Second, in accordance to the profit and loss Allocations as found in Section 7.1.1

ARTICLE 12 INDEMNIFICATION AND INSURANCE

Section 12.1 Indemnification. Neither the Manager, nor their shareholders, officers, directors, employees or agents, shall have any liability whatsoever to the Company or to any Member for any loss suffered by the Company or any Member which arises out of any action or inaction of the Manager or any of their shareholders, officers, directors, employees or agents, so long as the Manager or such other Persons, in good faith, determined that such course of conduct was in the best interests of the Company and did not constitute fraud, bad faith or willful misconduct. The Manager and its shareholders, officers, directors, employees and agents and the employees and agents of the Company shall be entitled to be indemnified and held harmless by the Company, at the expense of the Company, against any loss, expense, claim or liability (including reasonable attorneys' fees, which shall be paid as incurred) resulting from the assertion of any claim or legal proceeding relating to the performance or nonperformance of any act concerning the activities of the Company, including claims or legal proceedings brought by a third-party or by Members, on their own behalf or as a Company derivative suit, so long as the party to be indemnified determined in good faith that such course was in the best interests of the Company and did not constitute fraud, bad faith or willful misconduct; provided, that any such indemnity shall be paid solely from the assets of the Company.

Section 12.2 Insurance. Nothing herein shall prohibit the Company from paying in whole or in part the premiums or other charge for any type of indemnity insurance in which the Manager or other agents or employees of the Manager or the Company are indemnified or insured against liability or loss arising out of their actual or asserted misfeasance or nonfeasance in the performance of their duties or out of any actual or asserted wrongful act against, or by, the Company including, but not limited to, judgments, fines, settlements and expenses incurred in the defense of actions, proceedings and appeals therefrom.

ARTICLE 13 INVESTMENT REPRESENTATIONS; PRIVATE OFFERING EXEMPTION

Each Member, by such Member's execution of this Agreement, hereby represents and warrants to, and agrees with, the Manager, the other Members and the Company as follows:

Section 13.1 Investment Intent. Such Member is acquiring the Interest in investment purposes for such Member's own account only and not with a view to or for sale in connection with any distribution of all or any part of the Interest.

Section 13.2 Economic Risk. Such Member is financially able to bear the economic risk of such Member's investment in the Company, including the total loss thereof.

Section 13.3 No Registration of Units. Such Member acknowledges that the Interests have not been registered under the Securities Act of 1933, as amended (the "Securities Act"), or qualified under any state securities law or under the laws of any other jurisdiction, in reliance, in part, on such Member's representations, warranties and agreements herein.

Section 13.4 No Obligation to Register. Such Member represents, warrants and agrees that the Company and the Manager is under no obligation to register or qualify the Interests under the Securities Act or under any state securities law or under the laws of any other jurisdiction, or to assist such Member in complying with any exemption from registration and qualification.

Section 13.5 No Disposition in Violation of Law. Without limiting the representations set forth above, and without limiting Article 9 of this Agreement, such Member will not make any disposition of all or any part of the Interests which will result in the violation by such Member or by the Company of the Securities Act or any other applicable securities laws. Without limiting the foregoing, each Member agrees not to make any disposition of all or any part of the Interests unless and until:

13.5.1 there is then in effect a registration statement under the Securities Act covering such proposed disposition and such disposition is made in accordance with such registration statement and any applicable requirements of state securities laws; or

13.5.2 such Member has notified the Company of the proposed disposition and has furnished the Company with a detailed statement of the circumstances surrounding the proposed disposition, and if reasonably requested by the Manager, such Member has furnished the Company with a written opinion of legal counsel, reasonably satisfactory to the Company, that such disposition will not require registration of any securities under the Securities Act or the consent of or a permit from appropriate authorities under any applicable state securities law or under the laws of any other jurisdiction.

Section 13.6 Financial Estimate and Projections. That it understands that all projections and financial or other materials which it may have been furnished are not based on historical operating results, because no reliable results exist, and are based only upon estimates and assumptions which are subject to future conditions and events which are unpredictable and which may not be relied upon in making an investment decision.

ARTICLE 14 DEFAULTS AND REMEDIES

Section 14.1 Defaults. If a Member materially defaults in the performance of his or its obligations under this Agreement, and such default is not cured within ten (10) business days after written notice of such default is given by a Manager to the defaulting Member for a default that

can be cured by the payment of money, or within thirty (30) calendar days after written notice of such default is given by a Manager to the defaulting Member for any other default, then the non-defaulting Members shall have the rights and remedies described in Section 14.2 hereunder in respect of the default.

Section 14.2 Remedies. If a Member fails to perform his or its obligations under this Agreement, the Company and the non-defaulting Members shall have the right, in addition to all other rights and remedies provided herein, on behalf of himself or itself, the Company or the Members, to bring the matter to arbitration pursuant to Section 15.7. The award of the arbitrator in such a proceeding may include, without limitation, an order for specific performance by the defaulting Member of his or its obligations under this Agreement, or an award for damages for payment of sums due to the Company or to a Member.

ARTICLE 15 MISCELLANEOUS

Section 15.1 Entire Agreement. This Agreement, and the exhibits hereto, constitute the entire agreement among the Manager, in its capacity as Manager only, and the Members with respect to the subject matter hereof, and supersedes all prior and contemporaneous agreements, representations, and understandings of the parties. No party hereto shall be liable or bound to the other in any manner by any warranties, representations or covenants with respect to the subject matter hereof except as specifically set forth herein.

Section 15.2 Further Assurances. Each Manager and Member agrees to execute, acknowledge, deliver, file, record and publish such further certificates, amendments to certificates, instruments and documents, and do all such other acts and things as may be required by law, or as may be required to carry out the intent and purposes of this Agreement.

Section 15.3 No Waiver. No consent or waiver, express or implied, by the Company or a Member to or of any breach or default by the Manager or any Member in the performance by the Manager or such Member of his, her or its obligations under this Agreement shall constitute a consent to or waiver of any similar breach or default by that or any other Manager or Member. Failure by the Company or a Member to complain of any act or omission to act by the Manager or any Member, or to declare such Manager or Member in default, irrespective of how long such failure continues, shall not constitute a waiver by the Company or such Member of his, her or its rights under this Agreement.

Section 15.4 Third Parties. Nothing in this Agreement, express or implied, is intended to confer upon any party, other than the parties hereto, and their respective successors and permitted assigns, any rights, remedies, obligations or liabilities under or by reason of this Agreement, except as expressly provided herein.

Section 15.5 Severability. If one or more provisions of this Agreement are held by a proper court to be unenforceable under applicable law, portions of such provisions, or such provisions in their entirety, to the extent necessary and permitted by law, shall be severed herefrom, and the balance of this Agreement shall be enforceable in accordance with its terms.

Section 15.6 Governing Law. This Agreement shall be governed by and construed under the substantive laws of the State of Nevada, and in particular, to the extent applicable, Clark County. This Agreement, however, may alter or reduce the rights a Member would have under the Act. In all instances in which such is lawful, the provisions of this agreement will control.

Section 15.7 Dispute Resolution. In the event of any dispute or disagreement between the parties hereto as to the interpretation of any provision of this Agreement (or the performance of obligations hereunder), the matter, upon written request of any party, shall be referred to representatives of the parties for decision. The representatives shall promptly meet, in good faith, with the assistance of a third-party mediator who has previously practice law as a litigator. If the representatives do not agree upon a decision within thirty (30) calendar days after reference of the matter to the mediator, any controversy, dispute or claim arising out of or relating in any way to this Agreement or the transactions arising hereunder shall be settled exclusively by arbitration in Las Vegas, Nevada. Such arbitration shall be administered by JAMS in accordance with its then prevailing expedited rules, by one independent and impartial arbitrator selected in accordance with such rules. The arbitration shall be governed by the United States Arbitration Act, 9 U.S.C. § 1 et seq. The fees and expenses of JAMS and the arbitrator shall be shared equally by the parties to the dispute and advanced by them from time to time as required; provided that at the conclusion of the arbitration, the arbitrator shall award costs and expenses (including the costs of the arbitration previously advanced and the reasonable fees and expenses of attorneys, accountants and other experts) to the prevailing party, so long as the prevailing party had previously engaged in good faith mediation. Failure of a party to act in good faith during the mediation process shall prohibit the prevailing party to recover any cost of the arbitration and attorney and accounting fees. No pre-arbitration discovery shall be permitted, except that the arbitrator shall have the power in his sole discretion, on application by any party, to order pre-arbitration examination solely of those witnesses and documents that any other party intends to introduce in its case-in-chief at the arbitration hearing. The parties shall instruct the arbitrator to render such arbitrator's award within thirty (30) calendar days following the conclusion of the arbitration hearing. The arbitrator shall not be empowered to award to any party any damages of the type not permitted to be recovered under this Agreement in connection with any dispute between or among the parties arising out of or relating in any way to this Agreement or the transactions arising hereunder, and each party hereby irrevocably waives any right to recover such damages. Notwithstanding anything to the contrary provided in this Section 15.7 and without prejudice to the above procedures, any party may apply to any court of competent jurisdiction for temporary injunctive or other provisional judicial relief if such action is necessary to avoid irreparable damage or to preserve the status quo until such time as the arbitrator is selected and available to hear such party's request for temporary relief. The award rendered by the arbitrator shall be final and not subject to judicial review and judgment thereon may be entered in any court of competent jurisdiction. The decision of the arbitrator shall be in writing and shall set forth findings of fact and conclusions of law.

Section 15.8 Notices. Unless otherwise provided in this Agreement, any notice or other communication herein required or permitted to be given shall be in writing and shall be given by electronic communication, hand delivery, registered or certified mail, with proper postage prepaid, return receipt requested, or courier service regularly providing proof of delivery, addressed to the party hereto as provided as follows:

15.8.1 all communications intended for the Company shall be sent to its principal executive office to the attention of the Manager;

15.8.2 all communications intended for a Member shall be sent to the address of such Member set forth in *Exhibit "1"* to this Agreement, or such other address as such Member shall have provided to the Company for such purpose by notice served in accordance with this Section 15.8; and

15.8.3 all communications intended for the Manager shall be sent to the address of the Manager set forth in *Exhibit "3"* to this Agreement, or such other address as the Manager shall have provided to the Members for such purpose by notice served in accordance with this Section 15.8.

All notices shall be sent as aforesaid or at any other address of which any of the foregoing shall have notified the others in any manner prescribed in this Section 15.8. For all purposes of this Agreement, a notice or communication will be deemed effective:

(a) if delivered by hand or sent by courier, on the day it is delivered unless that day is not a day upon which commercial banks are open for business in the city specified (a "Local Business Day") in the address for notice provided by the recipient, or if delivered after the close of business on a Local Business Day, then on the next succeeding Local Business Day;

(b) if sent by facsimile transmission, on the date transmitted, provided oral or written confirmation of receipt is obtained by the sender, unless the transmission and confirmation date is not a Local Business Day, in which case on the next succeeding Local Business Day; and

(c) if sent by registered or certified mail, on the fifth (5th) Local Business Day after the date of mailing.

Section 15.9 Titles and Subtitles. The titles of the sections and paragraphs of this Agreement are for convenience only and are not to be considered in construing this Agreement.

Section 15.10 Currency. Unless otherwise specified, all currency amounts in this Agreement refer to the lawful currency of the United States of America.

Section 15.11 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, and facsimile signatures shall be deemed originals.

Section 15.12 Preparation of Agreement. This Agreement has been prepared by Premier Law Group (the "Law Firm"), counsel for the Company and the Manager in the course of its representation, and:

- i. The Members have been advised by the Law Firm that a conflict of interest exists among the Members' individual interests; and

- ii. The Members have been advised by the Law Firm to seek the advice of independent counsel; and
- iii. The Members have been represented by independent counsel or have had the opportunity to seek such representation; and
- iv. The Law Firm has not given any advice or made any representations to the members with respect to the tax consequences of this agreement; and
- v. The Members have been advised that the terms and provisions of this Agreement may have tax consequences and the Members have been advised by the Law Firm to seek independent counsel with respect thereto; and
- vi. The Members have been represented by independent counsel or have had the opportunity to seek such representation with respect to the tax consequences of this Agreement.

Section 15.13 Corporate Transparency Act.

15.13.1 The Corporate Transparency Act (the “CTA”), as more fully described in the Corporate Transparency Act Addendum attached hereto as *Exhibit “5”* (“CTA Addendum”), mandates that the Company submit an initial Beneficial Ownership Information Report (BOIR), and corrected, updated, or newly exempt entity BOIRs (as applicable) to the Financial Crimes Enforcement Network (“FinCEN”). The BOIR shall include information regarding the Company, its Beneficial Owners, and its Company Applicants, as outlined in the CTA Addendum. For CTA compliance purposes, Flavio Jimenez shall be named the Company Representative and shall be responsible for implementing the Company’s CTA Policy and Procedures as listed in *Exhibit “5”*. By executing this Operating Agreement, the Company Representative and all Members and Managers agree to the terms and conditions set forth in the CTA Addendum.

15.13.2 For each Beneficial Owner (as defined below) and each Company Applicant (as defined below) required to be reported, the CTA requires that the Company submit the individual’s legal name; birthdate; home address; and an identifying number from a driver’s license, passport, or other approved document for each individual, as well as an image of the document on which the number is located. Reporting companies may provide a FinCEN identifier for a Beneficial Owner or Company Applicant instead of the information listed above. Reporting companies must file an initial BOIR and updated or corrected BOIR reports as needed.

(a) A Beneficial Owner is any individual who exercises substantial control over the Company, or who owns or controls at least 25% of the Company. If the individual falls into *any* of the categories below, the individual is exercising substantial control:

(1) The individual is a senior officer (the Company’s president, chief financial officer, general counsel, chief executive officer,

chief operating officer, or any other officer who performs a similar function);

(2) The individual has authority to appoint or remove certain officers or a majority of directors (or similar body) of the Company;

(3) The individual is an important decision maker for the Company. Important decisions include decisions about the Company's business, finances, and structure;

(4) The individual has any other form of substantial control over the reporting company;

(b) Reporting companies are required to identify all individuals who own or control at least 25 percent of the ownership interests of the company. Any of the following may be an ownership interest: equity, stock, or voting rights; a capital or profit interest; convertible instruments; options or other non-binding privileges to buy or sell any of the foregoing; and any other instrument, contract, or other mechanism used to establish ownership. A reporting company may have multiple types of ownership interests.

(1) An equity, stock, or voting right is any interest classified as stock or anything similar, regardless of whether it confers voting power or voting rights, and even if the interest is transferable. Examples include equity, stock or similar instruments, preorganization certificates or subscriptions, and transferable shares of, or voting trust certificates or certificates of deposit for, an equity security, interest in a joint venture or certificate of interest in a business trust.

(2) A capital or profit interest is any interest in the assets or profits of a company organized as an LLC, which is similar to stock in a corporation and is sometimes referred to as a "unit."

(3) A convertible instrument is any instrument convertible into equity, stock, or voting rights or capital or profit interest, regardless of whether anything needs to be paid to exercise the conversion. The related items are also ownership interests, including any future on any convertible instrument or any warranty or right to purchase, sell, or subscribe to a share or interest in equity, stock, or voting rights or capital or profit interest, even if such warrant or right is a debt.

(4) An option or privilege is any put, call, straddle, or other option or privilege of buying or selling equity, stock, or voting rights, capital or profit interest, or convertible instruments, except if the option or privilege is created and held by others without the knowledge or involvement of the reporting company.

(c) If a Beneficial Owner owns or controls their ownership interests in a reporting company **exclusively** through **multiple exempt** entities, then the names of **all** of those exempt entities may be reported to FinCEN instead of the individual Beneficial Owner's information. This rule does not apply when an individual owns or controls ownership interests in a reporting company through **both** exempt and non-exempt entities. In that case, the reporting company must report the individual as a Beneficial Owner (if no exception applies), but the exempt companies do not need to be listed.

15.13.3 A Company Applicant is an individual who directly files the document that creates, or first registers, the Company and the individual that is primarily responsible for directing or controlling the filing of the relevant document, if this is a separate person. There can be up to two individuals who qualify as Company Applicants. Only reporting companies created or registered on or after January 1, 2024, will be required to report their Company Applicants.

15.13.4 In the event the Company Representative fails to submit an initial, corrected, updated, or newly exempt entity BOIR to FinCEN in a timely manner and in accordance with the Company's CTA Policy and Procedures as listed in **Exhibit "5"** and the Company is subject to penalties, fees, or fines as a result of the Company Representative's failure to submit the required BOIR, the Company Representative shall indemnify and hold the Company, the Company's Manager(s) and Member(s), and the Company's initial Company Applicant(s) harmless from any liability, loss, or damage arising out of or related to such non-compliance. The indemnification shall include, but not be limited to, legal fees, fines, penalties, and any other costs incurred by the Company as a result of the Company Representative's failure to comply with applicable laws.

15.13.5 If any Member(s) or Manager(s) fails to timely provide accurate and complete information or documentation as requested by the Company Representative in connection with the required BOIR and in accordance with the Company's CTA Policy and Procedures as listed in **Exhibit "5"**, and the Company is subject to penalties, fees, or fines as a result of the Member's or Manager's failure to timely provide accurate and complete information or documentation as requested by the Company Representative, the Member or Manager shall indemnify and hold the Company, the Company Representative, the Company's Manager(s) and Member(s), and the Company's initial Company Applicant(s) harmless from any liability, loss, or damage arising out of or related to such non-compliance. The indemnification shall include, but not be limited to, legal fees, fines, penalties, and any other costs incurred by the Company as a result of the Company Representative's failure to comply with applicable laws. Pursuant to the Company's CTA Policy and Procedures as listed in **Exhibit "5"**, in the event such Member or Manager continues to withhold such information and/or documentation, or willingly fails to timely provide accurate and complete information in further violation of FinCEN's requirement, following the imposition of penalties, fees, or fines by FinCEN, such Member's or Manager's shall continue to indemnify and hold the Company, the Company Representative, the Company's Manager(s) and Member(s), and the Company's initial Company Applicant(s) harmless from any liability, loss, or damage arising out of or related to such further non-compliance and their continued status as a Member or Manager of the Company shall be voted on by the Members and

such Member or Manager shall be removed from the Company by not less than a three-quarters majority of the Members as a whole.

The Company Representative may not opt out or refuse to serve as Company Representative and may be relieved of such duties only in the event that the Company Representative is removed as Manager, or another Manager voluntarily assumes the duties of Company Representative. In the event two Managers have the same Beneficial Ownership percentages, they will jointly select which Manager shall become Company Representative.
